❖ Group Discussion

1. Safety guides @ open fence area by the Planetarium are helpful, as that area has potential to be a major bottleneck and therefore slightly hazardous.
2. Gymnasium ribbon cutting ceremony is on 2/21 at 3:00pm.
3. Winter break is still on. Spring semester starts in just a few weeks.
4. Dan Cahill: the weeds have overgrown, so he's been taking care of cutting them back
5. Administration building planned to open by April of 2020. Pres. office, VPAS office, & HR among others are preparing to move-in.
6. Communications building will make a good swing space.
7. Arts Complex appears to become the largest building/complex on campus.

Meeting adjourned at 9:21 a.m.
